- Balaclava or something similar
- Stocking cap & baseball cap
- Gaiters
- Headlamp & extra Batteries
- Knife- Havalon are good
- 2 Quart water bottles- Nalgene are good
- Camera
- Walking Stick/Sticks- Leki are good
- Blister Kit & Band-Aids Spenco are good

If you'd like to discuss gear in detail, feel free to contact me. Since the majority of our camps are accessed via Super Cub, hunters are restricted to a 65lb weight limit. Your gear should fit into two smaller dry bags, your day pack and your rifle in a soft case. NO LARGE BAGS, they will not fit into the plane
